- Isobel, Pennant Hills

Read what Melbourne's **Herald Sun** had to say about our program:

Written by Jason Bryce Dec. 17, 07

'...Technocash is also behind a radical shopping rewards concept launched in October called Gift Card Bonus program...

The bonus is that every five weeks you will be sent an extra bonus gift card with 5 per cent of your total spend loaded onto it, as a cash back reward.

"We have always thought that cash is the best reward for a loyalty program," says Mr. Pakalns (technical director at Technocash)...

For a family with a \$200 per week grocery bill, that's a bonus \$50 every five weeks...'
